

# WEBINAR AGENDA

## ENFASYS early results

17th of April 2024 @ 11am CET

ONLINE

12:00

**Short presentation of ENFASYS and the webinar**

**ILVO**  
Flanders Research Institute for  
Agriculture, Fisheries and Food

12:05

**Framework enabling study of behavioural and systemic factors of food system transformation**

*What a conceptual framework is and why we need it for the project ENFASYS. How we conceptualized behavioural and systemic factors that influence food system transformation.*

**FiBL**

12:15

**Policy space of ENFASYS case studies**

*Based on case study data reports, we'll summarize characteristics of policy spaces for case studies (CSs), showing influential policies, design levels, and instruments used, while highlighting contrasts between CSs' policy spaces.*

**UCLouvain**

12:30

**Value network maps of ENFASYS case studies**

*An introduction of case studies using a generic food system map and an explanation of the methodology of Value Network maps (VNM). Key insights from 10 VNMs will be shared, highlighting commonalities and differences among CSs.*

**UCLouvain**

12:45

**European transformation initiatives for sustainable food: Barriers encountered**

*We conducted a review of more than 100 European initiatives aiming at transforming the food system. We give you some insights from this broad review study and will put special emphasis on the barriers which the initiatives encounter on their transformation pathway.*

**FiBL**

12:55

**Conclusions**

*\*after each presentation there will be the chance of having a short Q&A*
